Description: Chai is a friendly, well-behaved cat who is used to being indoors and is accustomed to apartment life. He is a five-year old male Havana Brown mix who enjoys sleeping in the sun and playing with his toys. He has a large scratching post which is we've successfully trained him to use without fail. Additionally, Chai is fully litter box trained. We have had Chai for three years, and he is a cherished member of our family. If you have any questions about our cat, please ask.

Health/Grooming: Chai is neutered, which benefits both his behavior and health. Since he does not go outdoors, fleas are generally not a problem. We brush Chai often, and have him professionally groomed at least once a year. He is also kept up-to-date on all vaccinations, and receives regular health exams at the Berkeley-East Bay Humane Society veterinary hospital.

About Us: As cat owners, we always try to act responsibly. We clean Chai's litter box every day, and always dispose of litter in a sealed bag. We arrange for reliable pet care if we are going out of town. We are so sure Chai will be a "good tenant," we are willing to put up an extra security deposit. We are members of (any cat type of organization) and are committed to responsible, caring pet ownership.

References: Our current landlord can be reached at (510) 222-1234. Please also see attached letters of recommendation and veterinarian documentation.

We would be happy to have a potential landlord meet Chai, visit him in his current home, and/or check in to see how he is adjusting to his new surroundings after we move in.
