**Description:** Camille is a friendly, well-behaved dog who is accustomed to apartment life. She is a five-year-old medium-sized Labrador Retriever mix who is mature, calm and easy going. We have had Camille for two years, and she is a cherished member of our family. If you have any questions about our dog, please ask.

**Training:** The Berkeley-East Bay Humane Society K-9 College, [date]. Camille is fully house-broken, and obeys voice commands. She does not bark excessively, although she may give a short warning bark to alert us to strangers.

**Activities:** We walk Camille twice a day, and go to one of appropriate parks and beaches for more vigorous exercise at least three times a week. Camille's behavior on and off-leash is exemplary. She loves the beach, and friends often "borrow" her to go along with them. These activities satisfy Camille's exercise requirements, and she is calm and contented relaxing indoors while we are away at work.

**Health/Grooming:** Camille is spayed, which benefits both her behavior and health. She is kept up-to-date on all vaccinations, and receives regular health exams at the Berkeley-East Bay Humane Society's veterinary hospital. We bathe and treat Camille with Advantage for fleas. She is professionally groomed once a month.

**About Us:** As dog owners, we always try to act responsibly. We have taken a class on dog behavior, we always clean up after our dog, and we arrange for reliable pet care if we are going out of town. We are so sure Camille will be a "good tenant," we are willing to put up an additional security deposit. We are members of (any dog organization), and are committed to responsible, caring pet ownership.

**References:** Our current landlord can be reached at (510) 222-1234. Please also see attached letters of recommendation and veterinarian documentation.

We would be happy to have a potential landlord meet Camille, visit her in her current home, and/or check in to see how she is adjusting to her new surroundings after we move in.
